GWM – GO WITH MORE

Known globally for our exceptional vehicles, GWM is guided by this corporate philosophy: 'Improving little by little, every day'. Our approach includes establishing top-tier research and development systems that foster constant innovation, and adhering to the 'excessive investment' principle that propels us to industry leadership.

We take pride in crafting vehicles that merge the finest components, advanced technology and top-notch safety features from around the globe, producing elegant SUVs for those who enjoy both off-road adventures and urban luxury. Our TANK series, a premium off-road SUV line, has gained worldwide acclaim for its blend of comfort and rugged capability. This success stems from our passion, determination and unwavering commitment to meeting the needs of our customers.

OFF-ROAD ELEGANCE

This impressive 7-seater SUV radiates power and grandeur even on the most rugged terrain.

But don't be misled by its luxurious beauty – the TANK 500 delivers extraordinary power when required, seamlessly combining top-end luxury with off-road prowess.

LUXURIOUS INTERIOR

Once inside, you're greeted by plush, Heated and Ventilated Nappa Leather Accented Seats, with 8-Point Massage Feature and adjustable to your preferred driving position. You can also soak up the outdoor ambience on every journey, with a Panoramic Sunroof that will reignite your passion for driving.

The TANK 500's direct injection, 2.0-litre turbocharged, four-cylinder petrol-electric engine delivers an impressive 255 kW of power and 648 Nm of torque, allowing this powerful SUV to tow up to 2.5 tonnes.

ALL THE POWER YOU NEED

Not surprising then, despite its sturdy 2 605 kg weight, that the TANK 500 still manages to accelerate from 0-100 km/h in just 8.3 seconds! Plus, an advanced 9-speed automatic, hybrid gearbox, combined with 11 all-terrain driving modes including – Sports, Snow, Sand, Rock and Expert – ensure that the TANK 500 conquers just about any terrain you can throw at it.

Years of intensive innovation have resulted in GWM's independently designed Dedicated Hybrid Technology (DHT), providing a high-efficiency, high-performance hybrid solution and making the TANK 500 a master of both power and versatility.

QUICK-START CONVENIENCE

The TANK 500 is the ultimate expression of GWM's dedication to excellence, blending top-tier interior finishes with state-of-the-art technology.

Immerse yourself in seamless infotainment with the crystal-clear, 14.6-inch, LED colour touchscreen, complemented by the exquisite sound quality of an Infinity® 12-speaker system.

Cutting-edge Head-Up Display projects vehicle data, speed, warning signals and navigation directions onto your windshield, for an enhanced and safer driving experience.

NEXT-GEN TECHNOLOGY

UNCOMPROMISING SAFETY STANDARDS

This grand and opulent SUV also offers unparalleled safety. The TANK 500, with its top-tier, 5-star ANCAP rating, is outfitted with an impressive array of active and passive safety systems to ensure maximum protection.

Intelligent Adaptive Cruise Control, Rear Collision Warning, Emergency Lane Keep Assist and Auto Intelligent Parking seamlessly integrate to provide peace of mind, reflecting GWM's commitment to safeguarding you and those around you.

ENERGISED BY INNOVATION

Central to our electrification strategy is GWM's Dedicated Hybrid Technology (DHT). Each petrol-electric hybrid engine is highly integrated and features a robust lithium-ion battery, enhancing performance and efficiency and reducing noise. Ideal for both city commutes and rough terrain, the multi-mode hybrid transmission offers fuel-efficient, smooth responsive starts and excellent acceleration, achieving 0-100 km/h in 8.3 seconds.
